## Workshop #1: Accessibility and Inclusion for Patrons with Disabilities: The Basic

Project enable

Activity Worksheet #1

## Directions:

- 1. Break into small (3-5 people) discussion groups (group size depends on the number of people attending).
- 2. Two questions will be shown on the PowerPoint slide and on Activity Worksheet #1.
- 3. Choose one group member to be the recorder. At the end of this activity, that person will present your ideas to the larger group.
- 4. Regroup after 15-20 minutes the groups will come back together, and a speaker for each group will discuss what the group decided and why.

## Questions:

1. What may prevent you from knowing whether someone has a disability?

2. What are some examples that might prevent someone with a disability from fully accessing your library?
