

Workshop #3: Universal Design for Learning (UDL) in Libraries

Activity Worksheet #1

Directions:

1. Break into small (3-5 people) discussion groups. [You will be in the same groups for each activity.]
 2. You will be creating an introductory lesson for an Information Literacy Program using at least three examples of teaching/learning strategies based on UDL principles. You can choose between adults, teenagers, and children for the target audience. [We will build upon your work for this activity in the following activities.]
 3. Regroup after 20 minutes and have a presenter ready to share your work with the group.
